

## United Methodist Temple January 2022 Newsletter Volume I

Wishing you good times, good cheer  
and a memorable new year.

*Happy New Year!*

*Sing to him, sing praise to him; tell of all his wonderful acts.*

*Psalms 105:2*

*Dear Church Family,*

*Happy New Year dear family. I pray that you have had a blessed Advent, Christmas season and are excited about the new year ahead of us. I am! I want to share with you a couple of new things we will be doing each month. First, we have a scripture of the month that we will read together during our time of announcements and welcome along with a description of our Mission of the Month.*

*Our scripture of the month will be the foundation for our monthly sermons. Starting in January, I will be focusing on the Faith We Sing. Each sermon this month we will take a hymn or two and talk about how it tells the story of our faith and in singing about our faith we share the good news of Jesus with non-believers.*

*To put more emphasis on the many ministries of our church, we will choose twelve ministries that will be our Mission of the Month (MoM) for the coming year. Each Sunday during announcements and welcome time we will share with you how our dollars help MoM*

*fulfill our call to go and make disciples for the transformation of the world. We support our MoM with our second mile giving over and above our tithes and offerings.*

*If you have any questions about either of these two new focus points, I will be glad to meet with you and discuss them in detail.*

*I look forward to the new year with you as we encounter Jesus, grow in faith, and serve others as the UM Temple body of Christ.*

**Happy New Year!!!**

## **Mission of the Month**

**UMCOR comes alongside those who suffer from natural or human-caused disasters – be it famine, hurricane, war, flood, fire or other events—to alleviate suffering and to be a source of help and hope for those left most vulnerable. We provide relief, response and long-term recovery grants when these events overwhelm a community’s ability to recover on their own. UMCOR also provides technical support and training for partners to address emerging and ongoing issues related to disaster relief, recovery, and long-term health and development. For more information on how UMCOR serves our communities in trouble, go to their web site: [umcmmission.org](http://umcmmission.org).**

## Elizabeth Circle

Following their meeting they will be taking down the Christmas greens in the sanctuary. Please stay and help with this task.
